(LANSING)– Sen. Wayne Kuipers, R-Holland, today announced his Senate office staff and released contact information for residents of the 30th Senate District.

“My staff and I encourage residents to contact my office with any concerns or questions pertaining to state government,” Kuipers said. “I want the residents of Ottawa County, Grandville and Sparta to know that while I am in Lansing performing my legislative duties I am still easily accessible to them.”

Constituents may reach Senator Kuipers in one of the following ways:

Senator Kuipers also brings with him to the Senate a well-seasoned group of legislative staffers. Kuipers’ Chief of Staff, Darin Ackerman, ran Kuipers’ senate campaign and has been his Legislative Aide since he was first elected to the House. Ackerman is a West Michigan native and is a graduate of Calvin College.

Angie Doezema, also a West Michigan native, has been a legislative assistant with Kuipers for two years and will serve as Director of Public Affairs. Also on staff are: Spencer Sattler, Constituent Aide; Zita Gregg, Committee Clerk and Amanda Beekman, Executive Assistant – all three are previous senate staffers.

“The individuals working in my office bring with them a strong desire to serve the people and communities of West Michigan,” Kuipers said. “Due to their extensive experience and vast knowledge of state government, the citizens of the 30th Senate District have a terrific group of people working for them.”
